Summary of Interagency Comments Under EO12866 13563 EPA Uintah and Ouray Indian Reservation FIP NPRM.docx

Hi Kimi --

We've received interagency comments back from OMB on the draft FIP proposal — just wanted to give you a heads-up that we may be asking your thoughts later on some of the comments related to BLM regulations. We're meeting Wednesday from 1-3 to talk about the comments and divide up responsibility for drafting responses; I can get back to you after that if that works. (If you'd like join the meeting, just let me know, but I don't want to waste your time at this early stage.)

Here is a summary of interagency comments under EO 12866 and 13563 for the draft U&O FIP. I just read the first page so far and it appears addressing the comments will be a challenge.

Thanks,
